Worn shoes are not exchangeable or returnable. If you are going to try on the shoes with your dress we ask that you wear stockings or socks, and only wear them on carpet. If the soles are scuffed from trying the shoes on at a fitting we cannot take them back.

The shoes must be returned in the same condition as they were received. Save the box that the shoes were shipped in! This is the best packaging to use for returns.

Shoes that have been dyed are not returnable or exchangeable.

We are not responsible for what could happen to the returned items during shipment back: if we receive them damaged we can't accept the return

Sizing

How is the Prada sizing schedule?

Please note that due to the Prada sizing schedule, Prada sneakers run one size larger than US sizes. If it says "9" inside a Prada sneaker, it is indeed a US size "10".

Our website features already made conversion on the size select dropdown list. You just select from the dropdown your country/size (UK, US or EU).

Prada sizes are the same as UK sizes.

For women's shoes, European sizes are used. You'll never see a 6 or 7 inside a Prada shoe.

WOMEN'S
EU 36 (US6)
EU 37 (US7)
EU 38 (US8)
EU 39 (US9)
EU 40 (US10)

For men's shoes, UK size schedule is used which runs one size smaller than the US size:

UK 6 (US7/EU40)
UK 7 (US8/EU41)
UK 8 (US9/EU42)
UK 9 (US10/EU43)
UK 10 (US11/EU44)
UK 11 (US12/EU45)
UK 12 (US13/EU46)
UK 13 (US14/EU47)

Do Prada shoes run small/normal/large?

Prada shoes are very comfortable and classified as not narrow, not too large but just in the middle.

Not narrow as dress shoes, not large as running sneakers. Just normal.

Do you have half sizes?

To be able to keep our stock low, and provide you with competitive prices we do not carry half sizes.

However, if you need to order a US men's 11.5, we advise you order a US 12/Prada 11 (see the Prada sizing article in KB). It is the best fit.
